MINNEAPOLIS—March 12, 2019—[IDEaS Revenue Solutions](#) and its global ecosystem of partners strive to deliver better revenue management solutions to hotels all over the world. During ITB Berlin on March 7, 2019, partner representatives were recognized and awarded by their IDEaS peers for their exemplary levels in four categories: Innovation, Client Focus, Results Focus and High Performance, and Team Spirit and Leadership.

For the third year, IDEaS Global Partner Ecosystem Awards recognizes individuals fiercely committed to driving mutual client success, dedicated to pricing and revenue management excellence and who power the industry forward through innovation.

Winners of the 2018 IDEaS Global Partner Ecosystem awards include:

Innovation

- Matthew Lane, Springer-Miller Systems

Client Focus

- Andrew Buttigieg, RMS Hospitality Solutions
- Valerie Katz, TravelClick
- Caryn Babstock, Maestro

Results Focus and High Performance

- Nick Clarke, Guestline
- Michelle Roycroft, Amadeus
- Shane McPhail, RoomKeyPMS

Team Spirit and Leadership

- Ana Glória, Host Hotel Systems
- Rachel Pelikán, Oracle Hospitality
- Helen Chiuriri Mpayah, res:harmonics
- Neil Ramsey, res:harmonics
- Amjad Mohammed, res:harmonics

Valerie Katz, reservation solutions, implementation manager, TravelClick,

said: “I am honored and very appreciative to be the recipient of this award. Reading all of the nomination notes was incredibly heartwarming and reinforces the reason I love what I do. I also wanted to acknowledge my wonderful team that supports me and strives to be client focused every day.”

Matthew Lane, senior software developer, Springer-Miller Systems, said: “I think this award is a reflection of the approach to integration shared by Springer Miller and IDEaS. The key to success is finding the solution that works the best for both applications.”

Joseph Martino, senior vice president and chief business development officer, IDEaS, said: “IDEaS always looks forward to this annual event during ITB Berlin. Anytime we can recognize the high-performing individuals transforming the hospitality industry, we will seize that opportunity. Their continued passion for technology and the well-being of our mutual clients keeps the industry moving, onward and upward.”
